

Sort by shape

Cut out all nine cards. Put circles, squares and triangles in their groups.
The size can change. Match the shape, then glue one card in each space.

Circles	Squares	Triangles
		
		
		
		

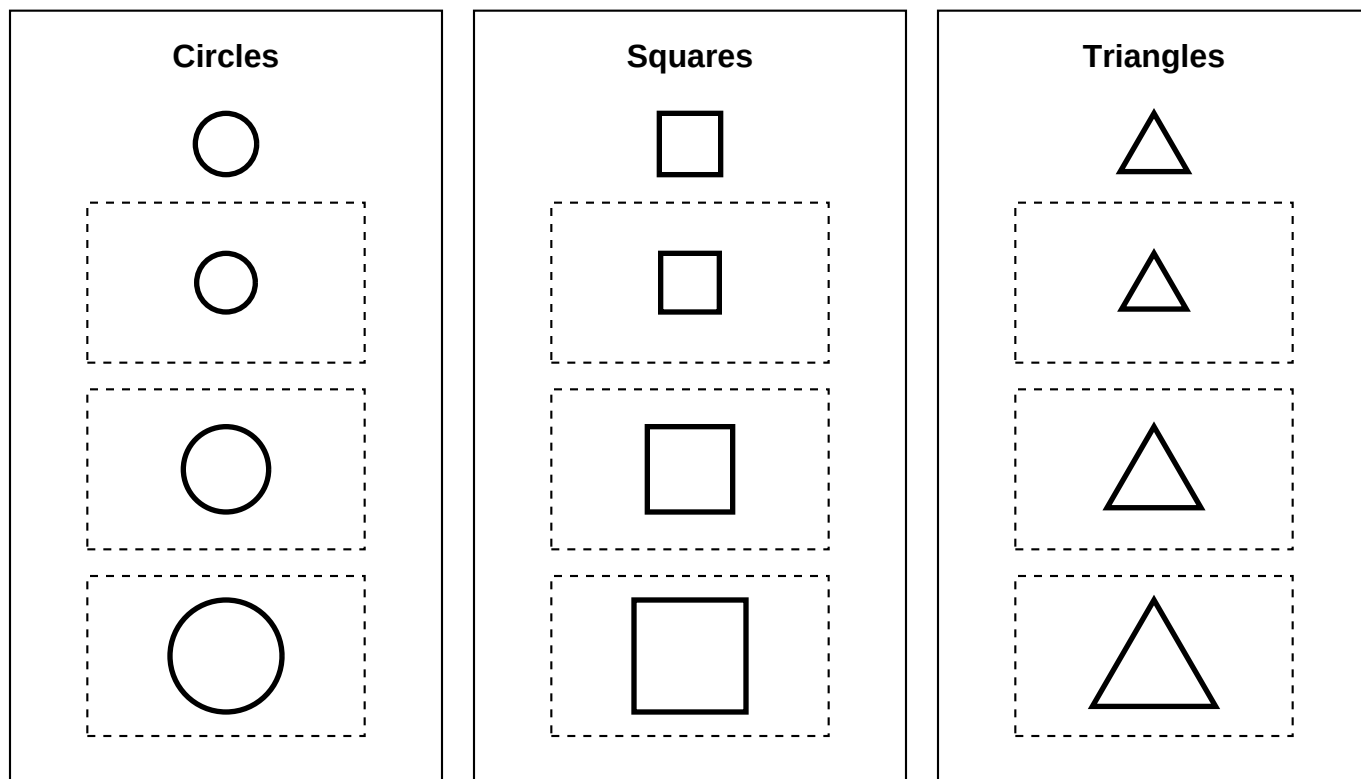

Cut on the solid card borders below. Leave the sorting groups whole.

Grown-up guide. You do not need to print this page.

Three cards go in each group. The order within a group can change.

Circle group: all three circles, small, medium and large.

Square group: all three squares, small, medium and large.

Triangle group: all three triangles, small, medium and large.

All nine cards are used. No color or reading cue is needed to match.
